

Tell Me Why

As I sit here tonight
Reflecting on my life
Recalling the chances
I took for granted

She sleeps like a baby
I wonder how maybe
A different try at life
Tell me why

There's not much she asks for
Way less than me Lord [spoken]
She's with me each day
As I go on my way
Harmless and helpful
Can't help but be careful
This special child of mine
Tell me why

Chorus 1

I ask you each day Lord
To open a new door
Give her my share
Tell her how much I care
We know that you're watchin'
Your blessings keep fallin'
But, I'm having trouble tonight
Tell me why

There's many just like her
They capture our wonder
Their thoughts deep inside
Are their memories alive?
Do they know what's in store
Each day as we go forth
And travel our long walk of life
Tell me why

They're smiling, they're playing
The sounds that they're making
The gift that you gave us
We will treasure for life
Their power, their will
They've climbed a tough hill

Lord help us all see
Their beauty inside

We know that you're watchin'
Your blessings keep fallin'
Could you calm my fears tonight?
Tell me why

Chorus 2

We ask you each day Lord
Open a new door
Give them our full share
Tell them how much we care
We know that you're watchin'
Your blessings keep fallin'
But I'm having trouble tonight
Tell me why

I'm grateful she is here tonight
Tell me why

I love you daddy [child's voice]
